Independent Joint Auditor's Report on the Quarterly and Year to Date Audited Financial Results of the Bank Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**To
The Board of Directors of
Jana Small Finance Bank Limited**

Report on the audit of the Financial Results

Opinion

We have jointly audited the accompanying financial results of Jana Small Finance Bank Limited (the "Bank") for the quarter ended March 31, 2025 and for the year ended March 31, 2025 ("Statement"), attached herewith, being submitted by the Bank pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), except for the disclosures relating to Pillar 3 under Basel II Capital Regulations as at March 31, 2025, including leverage ratio, liquidity coverage ratio and Net Stable Funding Ratio which would be disclosed on the Bank's website and in respect of which a link has been provided in Note 9 to the Statement and have not been audited by us.

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under section 133 of the Companies Act, 2013 ("the Act"), the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time (the "RBI Guidelines") and other accounting principles generally accepted in India, of the net profit and other financial information of the Bank for the quarter ended March 31, 2025 and for the year ended March 31, 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Financial Results

The Statement has been prepared on the basis of the annual financial statements. The Board of Directors of the Bank are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit of the Bank and other financial information in accordance with the recognition and measurement principles laid down in applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder, the RBI Guidelines and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The comparative financial information of the Bank for the corresponding quarter and year ended March 31, 2024, included in these financial results, were jointly audited by Brahmayya & Co. and M M Nissim & Co LLP (the 'Joint Predecessor Auditors') who expressed an unmodified opinion on those financial information on April 29, 2024.

The Statement includes the results for the quarter ended March 31, 2025 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2025 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Segment Notes:

Business Segments have been identified and reported taking into account the target customer profile, the nature of products and services, the differing risks and returns, the organisation structure, the internal business reporting system and the guidelines prescribed by the RBI. Digital Banking Segment is reported as a sub-segment of Retail Banking Segment related to Digital Banking Units of the Bank in India.

a) Treasury

The treasury segment primarily consists of entire investment portfolio of the Bank.

b) Retail Banking

The retail banking segment serves retail customers through a branch network. Exposures are classified under retail banking taking into account the status of the borrower (orientation criterion), the nature of product, granularity of the exposure and the quantum thereof. Revenues of the retail banking segment are primarily derived from interest and fees earned on retail loans, interest on deposits placed as collateral with banks and financial institutions. Expenses of this segment primarily comprise interest expense on borrowings, deposits, infrastructure and premises expenses for operating the branch network, personnel costs and other direct overheads.

c) Wholesale Banking

Wholesale Banking includes all advances to companies and statutory bodies, which are not included under Retail Banking.

d) Other Banking Operation

Other Banking includes other items not attributable to any particular business segment.

e) Unallocated

All items which are reckoned at an enterprise level are classified under this segment. This includes capital and reserves, and other unallocable assets and liabilities not identifiable to particular segment such as deferred tax, tax assets etc.
